What is CanadaHelps?

CanadaHelps is a registered charity dedicated to increasing charitable giving across Canada. It does that by serving both donors and charities.

For donors, it offers a one-stop shop for discovering, donating, or fundraising online for any registered Canadian charity. It processes donations, disburses the funds to the charities and provides instant or anytime access tax receipts directly to the donors.

For charities, CanadaHelps provides open access to an affordable, secure [online fundraising platform](#) and training so they can better connect with their supporters.

CanadaHelps is registered with the Canada Revenue Agency (CRA) as CANADAHHELPS CANADON, BN:896568417RR0001

As a non-profit, fees are a fraction (3.5%) of for-profit alternatives so your donation dollars go further and work harder when you give using CanadaHelps.

That's also good for charities (reducing the workload of cash counting and banking; record maintenance; and tax receipt accounting) and it's good for donors, too (easy, automatic donations and tax receipts).
