## FEATURING EPISODE 6: AM I SAVED?

What Jesus did for us through his life, death and resurrection was the greatest act of love in history. He saved us. He did this for each one of us. Personally.

*He came to enter into our messy human condition. To fix us from within - to transform us from the inside out...*

We don't deserve God's love, but that's the amazing reality of God's mercy. This relationship with God isn't all about our love for Him. It's about His love for us that changes our lives forever.

Reminder: You will need to have your [FREE FORMED](#) account to watch, if you haven't done this yet please follow this link and key in Holy Family Whitby as your parish.
